Just trying to be civil

Minus other factors- it's nice to have a man around

AF You coming by tonight or no?

AF I could just toss it, that's not a problem. I just wish you would have msgd me to let me know you couldn't come or didn't actually want it anymore

10/29/15, 11:05 AM

Alexa Ferrari

AF Don't expect to get anything else you own, it will be trashed.

10/29/15, 2:39 PM

Alexa Ferrari

AF Did you get my fb msg?

sorry for the above msg I was just upset. It felt like you were just dumping me off like you had you fun and were going to rudely take some of my stuff just to make it worse

AF *your

AF hello?

AF ok well enjoy your life. I had a good time with you last night and miss that, but you've made it clear I don't matter to you anymore. You can come get your white strips and cooler if you want them. I won't toss them, I'm done fighting for nothing.

10/29/15, 4:30 PM

Alexa Ferrari

AF just let me know if you still want that stuff, also if you want to come by tonight at some point to get it and talk id appreciate it. I want to apologize

AF please. I want us to be ok.

AF well you know where I am if you decide you want to hear me out. I think we owe it to us and all we've been thru together to do at least that. I'm here ready to talk and apologize if you decide to.

Alexa Ferrari

AF I'll at least say this over the phone- I'm so so sorry for how I reacted this morning. I was still a little drunk and I felt like you just used me for the night and were dumping me off in the morning which is why I was sour and told you to take your box. And then when you took the ice box and trays it just made me that much more sure of it. Regardless I shouldn't have reacted that way and I'm so sorry. I was just so upset to think that's all I meant to you after everything. Please forgive me.

AF I found that little baggy of stuff you gave me forever ago. I know you said you didn't have anything if you'd want it

10/29/15, 9:46 PM

Alexa Ferrari
